

Term One has begun... and what a beginning it has been. The weather has been glorious and the feel in the school is buzzing!

We have had a record number of enrolments and the students have quickly picked up the TAHI way to behave.

I am loving the Tuakana Teina play during our breaks.

If you have been to school this year, you will have noticed that we have had to put fencing up around our junior classes. This is because we have a number of students with additional needs who run and hide. The fencing keeps them contained during class time and allows the teachers to keep an eye on all of the students without having to leave the area. We will be including this into the landscaping so that it doesn't look so much like a cage. Please be assured the fences are open during break times and we totally encourage our Seniors and Juniors mixing.

I look forward to meeting all our new families as the term progresses.

Have a great long weekend!
